About you:

Do you have a passion for leading in worship? Are you:

- knowledgeable in social media to manage those accounts to promote the mission?

Then we should talk!

Our need:

We are looking for a man or woman whose primary area of responsibility would be to lead Sunday morning worship including song selection, musicians and vocalists. We currently use Media Shout and have instrumentalists who play mandolin, guitar and ukelele. Keyboard available. We have support vocalists, and want to expand our worship band.

Additional responsibilities would include:

- planning and execution of a weekly meeting for our 9-12th grade youth. Our youth have been meeting on Monday nights in two groups, grades 5-8 and grades 9-12, with total attendance of 12-15. We currently have highly experienced leaders for the 5-8 grade group.
- coming alongside our resident software developer and implementing/maintaining a strong social media presence. We are currently on FB and have our own app.
- other responsibilities based on our needs and your gifting and passion to be discussed.

We offer:

All applicants, including recent graduates, will be considered. A pay package, that can include housing, is being offered. The housing is on the estate of a church family and is a private one bedroom apartment with utilities provided, separate from the main house. It includes a large bedroom, full kitchen and laundry, living room, bathroom and wooden deck set on a mountainside in the woods.

Tremendous opportunities for outdoor adventures including camping, fishing, hunting, hiking and biking in the surrounding mountains and parks.

About us:

We are a growing church family passionate about reaching the lost in beautiful north-central Pennsylvania. We are guided by an excellent team of elders and Lead Pastor, supported by a Children's Director on staff, who are all implementing change to reach a lost culture. We have grown approximately 40% in less than 2 years including 27 baptisms, with Sunday attendance of about 100 currently. We have unchurched guests virtually every week who continue to return. We look to implement a second service in the future to plan for continued growth. Join us on that journey in a key leadership and support role.

You would be directly supervised by our Lead Pastor in addition to being a valuable member of a team, all under the governing authority of gifted elders.

Next steps:

If you are interested in being part of an exciting team who think outside the box to reach the unchurched, while striving to disciple all within the body of First Christian, we may be just what you are looking for. Our Lead Pastor's ministry philosophy is contained in the words of Paul "I have become all things to all people, so that by all possible means I might save some." 1 Cor. 9:22. **Come to a place where God is doing amazing things.**
